

The
Fellowship of Missions
Welcomes You to the Buckeye
State of Ohio!

Welcome to Ohio, as this year we celebrate the rich history of the 50th anniversary of Fellowship of Missions. We thank Baptist Church Planters, President Steve Little, and his staff for serving us so graciously in the sweet spirit of Christ. Though both the FOM CEO Retreat and Annual Meeting will be held in the beautiful and relaxing facilities of the Sawmill Creek Resort in Sandusky, OH, we will be returning to the BCP Home Office on Tuesday afternoon for a delicious Pork BBQ and great time of fellowship. Ann and I can't wait!

FOM has a rich history dating back to 1969, and we are happy to say that today some 25 mission agencies representing more than 2,000 missionaries serving on all six continents are partnering together in reaching the world for Christ. The purpose of the Fellowship of Missions is to provide collaborative interaction among member mission agencies for mutual accountability, personal and ministry development, and encouragement.

Our theme this year is *"The Year of Jubilee: Rest – Remember – Reset!"* We will enjoy some "rest" time during the Retreat; then during the Annual Meeting we have invited familiar guests to share with us history and reflections of the past 50 years. We will conclude with an informational interaction time and presentation of goals and ambitions of how FOM can continue being a vital asset to our mission agency leaders.

As Ann and I continue in our ninth year of service with FOM, we are anticipating a great conference. Last year we had to miss due to unexpected health issues. Once again may God be glorified in our efforts to reach the uttermost parts of the world together with the Good News.

WELCOME

We can't tell you how excited we are to once again welcome you to our annual FOM CEO Retreat hosted this year by Baptist Church Planters at the beautiful, restful Sawmill Creek Resort, near Sandusky, OH.

Over the years this special time away for our Mission Agency leaders and wives has proven to be a time of relaxation, refreshment and getting better acquainted with each other. Though every event must have a schedule you have taught me to be flexible. So within the schedule I have learned to have two or three minute delays! Hopefully this Resort setting will allow us the opportunity to be refreshed spiritually, physically and emotionally as we remove ourselves, for just a short time, from the hectic 24/7 schedules of ministry. Come prepared to sing, interact, have fun, laugh and spend some special time together in prayer. [Google the Sawmill Resort website to catch a glimpse of the amenities available to us during this time.](#)

For several years now we have had a very generous donor helping to make it possible to enjoy such retreat settings for spiritual refreshment, enjoyment and special fellowship. We are grateful!

It is our prayer that this time of rest and enjoyment will be a release to your soul and you will be blessed as we renew acquaintances and share in each other's lives. Thank you for letting us serve you.

Maynard & Ann
