# 1 - Remain True to our Core Values!

1 - We believe in verbal, plenary inspiration of the Holy Scripture, inerrant, infallible, and authoritative. Loyalty to Christ and to the Word of God cannot be sacrificed or compromised at any time or for any reason. This has been our rationale for existence since our formation in 1969.

2 - We believe it is the duty of all true believers in the Lord Jesus Christ to give a clear testimony of their faith in Him in these darkening days of apostasy.

# 1 - Remain True to our Core Values!

3 - We believe the times demand the existence of a world-wide mission organization for fellowship and cooperation consisting of fundamentalist mission agencies for the proclamation and defense of the Gospel.

4 - We believe that we can encourage one another, edify one another, be accountable to one another and together make a greater impact in declaring the Gospel of Christ to every kindred, tongue, tribe and nation.

# 1 - Remain True to our Core Values!

5 - The Fellowship of Missions does not engage in any cooperative efforts with liberals, cults, Roman Catholicism, charismatic's, or with those who choose to do so.

## 2 - Design interaction on contemporary missiological trends and issues through a conservative filter

- Simply explaining who we are and where we stand
- Proactive Biblical Creativity

3 - Suggest helpful resources on current theological and methodological books, publications and websites

- Needed: A Collaborative Resource Logistician

## 4 - Restful Annual Retreat times for fellowship and spiritual refreshment

- CEO Retreats

5 - Develop closer personal relationships and strive for cutting-edge topics in our annual meetings

- Needed: a proactive discerning Program Committee

## 6 - Participate in productive uses of current technology in Missions.

- Be Creative in the use of technology
  - Neutral medium *like money* (can be used for good/ill)
- Beware of its Dangers and Liabilities
  - Digital Footprints (The Story App)
  - China's Social Profile
- VTC **vs.** Travel Logistics / Expense
  - Zoom

## 7 - Endeavor to be more resourceful in net-working

- Informal Regional Fellowships
  - GFA invite to speak at a MAT Retreat for Missionaries
  - BMW “Military 2 Missions” Initiative
  - The *Corona Fellowship* with GFA and EMU CEOs

## 8 - Collectively encourage other like-minded Mission Agency leaders to partner with FOM.

- Every FOM Member - an informal FOM Recruiter
- Sister Organizations **vs.** Competitive Rivals
  - Christ's Cause is Greater than any one of us
  - The Enemy is not in the room
  - My First attendance at a Mission's Conference, AGC **vs.**

## 9 - Continue casting vision for world-wide evangelism and assist agency leaders in facing a task unfinished.

- What are the great Gospel Stories of last year?
  - LGBTQ
  - Fellow Chaplain Endorser Testimonies **vs.** the enemy
- Let's encourage one another with these stories
  - With Christ's help, it can be done / it will be done...
  - Proverbs 27:17; Colossians 3:16; Hebrew 10:24-25

# 10 - Remain a missionary organization designed for Identity, Information, Encouragement and Ministry Development.

## Mission

- Integrity
- Information
- Innovation
- Integration
- Invigoration
