**Hosted by Associated Gospel Churches and Gospel Fellowship Association  
The Wilds Christian Camp & Conference Center, 1000 Wilds Ridge Rd, Brevard, NC**

Dear Mission Agency Ministry Leader –

Greetings and thank you for being a faithful servant of the Lord. You are receiving this special invitation because you have shown interest in the Fellowship of Missions or have been suggested by a present FOM agency leader as one who is like-minded in faith and practice and may be interested in learning more about us.

I am inviting you to be our guest at our Annual FOM CEO Retreat September 10-12, 2022, at the Wilds Christian Camp. If you can also attend our Annual Meeting September 12-14, also at the Wilds, there will be no charge for registration. Two of our FOM agencies are hosting this year's meetings: Associated Gospel Churches (Director Steve Brown) and Gospel Fellowship Association (Director Mark Batory).

Our CEO Retreat includes two night's lodging, five great meals and a wonderful time of fellowship as well as inspirational times. We tend to laugh a lot at these relaxing times together. Our Annual Meeting theme this year is "Strategic Partnerships."

Attached please find a registration form and you will see there is a box marked "guest." I have also attached a proposed schedule for both the Retreat and Annual Meeting. We would love to have you join us and get acquainted with the agency leaders already part of FOM. No obligations, just come and enjoy. And we hope your wife can attend also as the ladies always have special times together.

One other highlight this year will be the transition in FOM leadership. After nearly twelve years serving as president, I am delighted to share that our new president-elect is Rev. Steve Fulks. For years Steve and Judy served as missionaries in Peru with Baptist Mid-Missions and for the last several years Steve has served as a BMM administrator. He will serve well in our growing FOM family.

Thank you for considering our invitation and it would be a rich blessing for us and you if you are able to attend.

Reaching the world for Christ together,

Maynard
