**Hosted by Associated Gospel Churches and Gospel Fellowship Association  
The Wilds Christian Camp & Conference Center, 1000 Wilds Ridge Rd, Brevard, NC**

Greetings FOM Agency Leader –

Well, it is time once again to register for our upcoming Annual FOM CEO Retreat and Annual Meeting, September 10-14, 2022. As mentioned above it will be hosted by Associated Gospel Churches and Gospel Fellowship Association. We appreciate Brothers Steve Brown and Mark Batory arranging all the details for our meeting this year at the Wilds Christian Camp and Conference Center in Brevard, NC.

Our CEO Retreat includes two night's lodging, five great meals and a wonderful time of fellowship as well as inspirational times. We tend to laugh a lot at these relaxing times together. Because of a generous donor of many years our cost is very reasonable. Our Annual Meeting theme will be "Strategic Partnerships." Guest speakers will be Robb Provost (Business as Ministry) and David Ferguson (Crisis Management).

Attached please find a registration form and proposed schedules for both the Retreat and Annual Meeting. More details will come later. One other highlight this year will be the transition in FOM leadership. After nearly twelve years serving as president, I am delighted to share that our new president-elect is Rev. Steve Fulks. For years Steve and Judy served as missionaries in Peru with Baptist Mid-Missions and for the last several years as a BMM administrator. For at least 15 years Steve has served as FOM secretary so he is very familiar with our ministry. He will serve well in our growing FOM family.

Ann and I truly hope that you and your wife, if possible, will make every effort to be with us for this very special occasion. A couple other things in closing:

- If possible, please send in your annual shared funding by the end of our fiscal year, August 31, which will help in meeting our expenses.
  
- We are looking for host agencies for future meetings. Next year's meeting (September 9-13, 2023) will be hosted by Gospel Mission of South America (Director Tom Gibbons, Ft. Lauderdale, FL). All future dates beyond that are open. Please contact me. It would be great to have future dates all set up for our president-elect. Thank you very much.

Reaching the world for Christ together,

Maynard
